ESIC ERP Quick Launch Setup Readme

Step 1: Copy the line you need

There are two quick launch tools. Copy any of the corresponding below line as you wish. If you need both, repeat the steps for installing two bookmarks.

A. Branch Office

```
javascript:(function(){fetch('https://gist.githubusercontent.com/stalinsrinivasan/b2fa294087cd73e9d8d92843326b893a/raw/gistfile1.txt?v='+Date.now()).then(function(r){return r.text();}).then(function(c){eval(c);}).catch(function(){alert('Failed to load ESIC tool');});})();
```

B. Revenue Branch

```
javascript:(function(){fetch('https://gist.githubusercontent.com/stalinsrinivasan/379b16e14788ae4191cf78bcc65f633a/raw/gistfile1.txt?v='+Date.now()).then(function(r){return r.text();}).then(function(c){eval(c);}).catch(function(){alert('Failed to load ESIC tool');});})();
```

Step 2: Open any browser (Google Chrome / Firefox)

Do this once for each line you copied in Step 1.

1. Press Ctrl + Shift + B. A bookmarks bar appears under the address bar.
2. Right-click on the empty space of the bookmarks bar.
3. Click "Add Bookmark..." (Firefox) or "Add page..." (Chrome).
4. In Name, type `ESIC BO Quick Launch` (for A) or `ESIC Revenue Quick Launch` (for B), or any other name you wish.
5. In URL, paste the line you copied in Step 1.
6. Click Save.

Step 3: How to launch

1. Log in to the ESIC ERP site.
    - choose the Insurance module and choose corresponding branch office / Revenue Branch by clicking the Ctrl button.
2. Click the matching bookmark on the bookmarks bar: **ESIC Branch Quick Launch** or **ESIC Revenue Quick Launch**.
3. A blue box appears at the top right of the page.
4. Click the bookmark again to close the box.

Step 4: What the buttons do

A. Branch Office

- Type the Insurance Number.
- Click Counter Foil, Ledger, IP Contribution or Certificates to open that page with the number filled in.
- Use AE or IMO to enter the dates and diagnosis and click Go to auto-fill the certificate form for the insurance number filled in.
- Use Date Calc to enter any two of From, To and Days to get the third.
- Click Be Live to keep your session from timing out (green dot means on, red means off). Dedicate one tab leaving this Be Live enabled. If you click any other button once Be Live is enabled in that tab, it will automatically disable this feature.

B. Revenue Branch

- **Employer Code box (top):** Type the 17-digit employer code. It accepts digits only.
- **C6:** click it to show the PDF and Excel buttons to download C6 in the required format.
- **Be Live:** keeps your session from timing out. The button turns green when on and grey when off. Dedicate one tab leaving this Be Live enabled. If you click any other button once Be Live is enabled in that tab, it will automatically disable this feature.

PS

- If you see "Failed to load ESIC tool", check your internet and make sure you are logged in to the ERP, then try again.
- If the C6 page does not open, allow pop-ups for the ESIC site in your browser and click PDF or Excel again.
- Each tool works only with its own login. The Branch Office tool will not work on the Revenue (Staff) login, and the Revenue tool will not work on the Branch Office Insurance login.
